For Offg. Secretary to Govt.

Letter No.D.5:19 dated the 19th June 1905 from the A 1st Assistant to the Resident to the Dewan of Mysore.

I am directed to acknowledge the receipt of Mr. Venkatavaradaiengar's letter Pol.No.887 dated the 22nd April 1905, requesting sanction to the continued employment of Mr. W. Pilkington as Inspector of Coffee Estates in Mysore to the end of May 1905.

In conveying the sanction applied for, I am to state that the Government of India have noticed the delay that has occurred in the submission of this application by the Durbar. Similar irregularities have been not infrequent in the past and the Government of India strongly deprecate the practice of anticipating their orders in cases of this kind. The Offg. Resident therefore trusts that the Durbar will be so good as to issue the necessary instructions to avoid the recurrence of such irregularities in future.

I am to suggest that a very simple method of securing this object would seem to lie in the appointment of some officer in the Secretariat to maintain a register of such employees entertained chronologically by years according to the date on which each term of appointment expires. This register should be put up about the end of September for orders as to the appointments which, unless renewed, will expire in the coming calendar year.

SIR,

Referring to your letter No. R.1967/Ft. dated the 27th September 1910, enquiring whether it is my intention to apply to Government for the extension of the services of Mr. Inamati Shama Rao, Extra Assistant Conservator of Forests, Central Pro-vinces, I have the honour to state that he happened to see me here and expressed his desire to remain in the Mysore State Service for a further period of three years and on the same terms on which the loan of his services was originally obtained, viz, that he should be allowed to draw the pay and allowances pertaining to the grade next above the one he holds in the British Service, vide Article 753-IV-C (1)- of the Civil Service

Service Regulations. I understand that the Provincial Forest Service Scheme sanctioned by the Right Honourable the Secretary of State for India will shortly be introduced into the Central Provinces. On its introduction, Mr.Shama Rao's pay there will be Rs. 420/- per mensem, rising to Rs. 550/- by annual increments of Rs. 20/-. If therefore his services are retained, the Mysore Government will have to pay him Rs. 420 plus Rs. 20, being one year's annual increment in advance, besides the contribution towards his leave allowances and pension.

Having regard to the fact that the Departmental staff has been recently reduced by the reversion to British Service of the services of Mr. A. Ponnuswamy Moodaliyar and that it will be further reduced by Mr. Shama Rao's reversion in the middle of December next, and Mr. Abdul Karim's retirement a few days thereafter, I should be glad to retain the services of Mr. Shama Rao for a further period of one year only, if Government are prepared to pay the emoluments due to him as above referred to, provided also that his retention will not interfere with the promotion of the Officers in the regular cadre.

I beg to add that in case Mr. Shama Rao is reverted,

I will have to disturb ~~from their posts~~ some of the Junior Assistant Conservators from their present charges, which in the interest of the Department, I would like to avoid for sometime at least.

The favour of early orders in the matter may be kindly obtained and communicated to me, so that I may apprise Mr. Shama Rao in sufficient time, in case he has to revert.

I have the honour to be,
